

July 9, 2021, a date to remember. This important date is reserved for the 2021 ATCA Futurity. It will be held at Lodi, Ca. and is open to all Australian Terriers under the age of 30 months. Our Futurity judge for 2021 is Brad Briscoe. If your dog was born between February 9, 2019 and January 10, 2021, it is eligible for the upcoming Futurity. Remember a dog may only be shown in one Futurity. The Futurity was begun as a way to recognize and showcase breeders of Australian Terriers. Without these breeders there is no future for our breed. So, I ask you to support the Futurity by nominating your bitch/ litter and the individual dogs. Show off your puppies, 6 months to 30 months of age for 2021 only and check out the competition.

- All you need to do is: Nominate your bitch and the litter (Attached is the nomination form).
- Nominate the individual puppies to be entered (at least 6 months old but not over 30 months old). (Attached is the puppy nomination form).
- Send pictures of the puppy, the sire and the dam
- Send the puppy's pedigree (three generation)
- Aussies entered in Futurity classes may not be shown by professional handlers, or members of their family or an employee unless the handler is the owner of the Aussie.

Buy the catalog at the show which contains all of the above You may contact me for the nomination forms or go to the ATCA website and download them. <https://www.australianterrier.org/atca-sweepstakes-futurity>

Send me the completed forms, pictures and pedigrees via US mail or e-mail Suebachman@att.net , PO Box 1461 Vacaville, CA. 95696. There will be cash prizes, statuary, medallions and rosettes awarded to the entrants. If you would like to become a sponsor of the Futurity, contact Sue Bachman
